AUDITOR REPORT

To the members of  
SOCIETY OF CANADIAN ORNITHOLOGISTS/  
SOCIÉTÉ DES ORNITHOLOGISTES DU CANADA

I have audited the statements of the SOCIETY OF CANADIAN ORNITHOLOGISTS/ SOCIÉTÉ DES ORNITHOLOGISTES DU CANADA as at December 31, 2007, the statements of earnings, net assets and cash flows for the year then ended. These financial statements are the responsibility of the corporation's management. My responsibility is to express an opinion on these financial statements based on my audits.

Except for the below mentioned, I conducted the audits in accordance with Canadian generally accepted auditing standards. Those standards require that I plan and perform an audit to obtain reasonable assurance whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation.

As it is the case for a number of non-profit organizations, the Corporation receives earnings from contributions, activities and other sources for which it is not possible to verify the accounting in a satisfactory manner. Therefore, my audit of the revenue was limited to the amounts recorded in the Corporation's book of account and did not determine if some adjustments should have been brought to the revenue, to the expenditures' revenue surplus, to the assets or net assets.

In my opinion, except for the bill for ultimately adjustments that I could have judged required if I had been in a position to verify if the above mentioned revenues were accounted, these financial statements present fairly, in all material respects, the financial positions of the Corporation as at December 31, 2007, the results of their operations and the changes in their net assets for the year then ended in accordance with Canadian generally accepted accounting principles.

NOTES TO THE FINANCIAL STATEMENTS  
Year ended December 31, 2007

1. STATUS AND NATURE OF ACTIVITIES

SOCIETY OF CANADIAN ORNITHOLOGISTS/SOCIÉTÉ DES ORNITHOLOGISTES DU CANADA is incorporated under the Canada Business Corporations Act as a registered charity to promote the public understanding and conservation of birds of Canada.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements have been prepared in accordance with Canadian generally accepted accounting principles and include the following significant accounting policies :

Fund accounting

Revenues and expenses accruing to service delivery and to management are presented in nets assets.

Revenues and expenses accruing to Jamie Smith, Doris Huestis Speirs and Taverner are presented in assignment nets assets.

Revenues recognition

The Corporation uses the amount brought forward method in revenues accounting. The allocated revenues are recognized as revenue for the financial period to which related expenses were incurred. Non allocated revenues are recognized as revenue when they are received or to be received if the receivable amount may reasonably be estimated and that its receivability is reasonably ensured. Non allocated incomes are recognized as revenue when they are earned.

Translation of foreign currency

The Corporation's self-sustaining foreign operations are translated using the current rate method. Transactions denominated in foreign currencies are translated at the exchange rate on the transaction date. Foreign currency denominated monetary and non-monetary assets and liabilities are translated at exchange rates in effect on the balance sheet date.

Investments

Term deposits are carried at cost.
